

Meon Valley Youth Projects Fund

Do you provide youth activities in the
Southern Parishes of Winchester district?

Does your project need some
financial support?

The Meon Valley Youth Projects Fund is a small grants fund to support youth activities in the Southern Parishes of Winchester district. The fund was set up to use money remaining from the Meon Valley Mobile Youth Project (the Boogie Bus) when the pilot project came to an end.

The partner organisations - Meon Valley Lions, Winchester Area Community Action (WACA) and Hampshire County Youth Service - have set up a panel to allocate these funds.

Who can apply?

Voluntary or community groups providing activities or services for young people aged 13-19 in the Southern Parish area.

Hampshire County Youth Service for activities outside the scope of mainstream statutory provision.

Applications from individual young people are not eligible. But groups may apply for funds to enable one or more individuals to participate in activities which they could not otherwise access.

What can be funded?

The panel can make grants up to £500 to help with things like start up costs for a new group; purchase of new equipment; volunteer training; promotional events; etc.

Further information and how to apply

Contact Melissa Fletcher, Development Support Officer at Winchester area Community Action, 68 St Georges Street, Winchester SO23 8AH. Melissa will also be able to advise on other possible sources of funding.
